GOEKELER

Messtechnik

Die GOEKELER Messtechnik GmbH ist ein unabhängiges Familienunternehmen in zweiter Generation. Seit 1984, den Anfängen der 3D Koordinaten Messtechnik, beliefern wir weltweit Messmaschinen Hersteller und Ihre Endanwender mit Tastelementen.

GOEKELER ist "Made in Württemberg". Innovation, Konstruktion und Produktion vereinen wir am Firmensitz vor den Toren des Technologiestandorts Stuttgart.

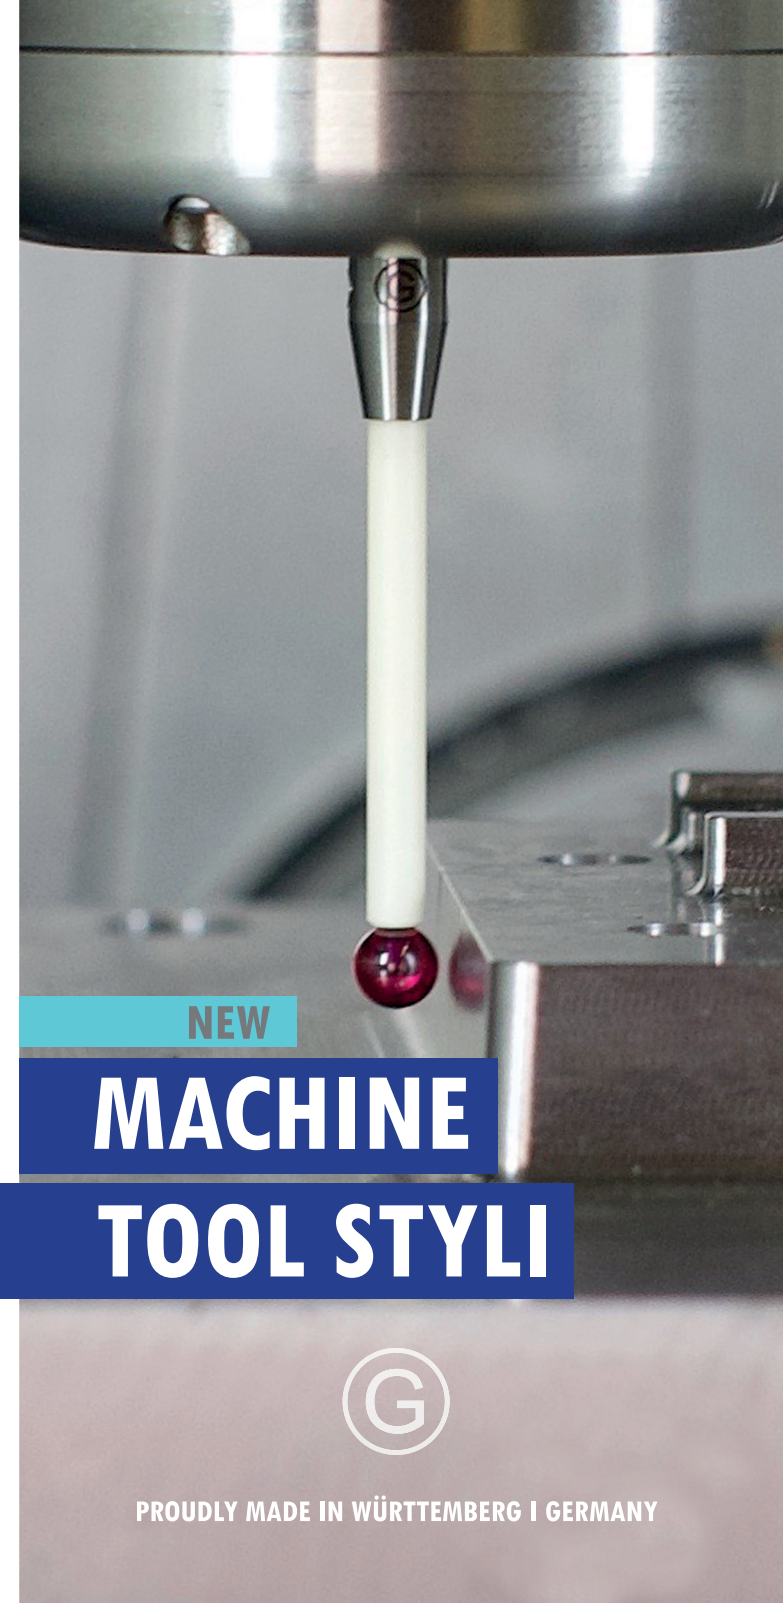

GOEKELER Messtechnik GmbH is an independent family business in its second generation. Since 1984, the beginning of 3D coordinate metrology, we supply worldwide measuring machine manufacturers and their end users with styli elements.

GOEKELER is "Made in Württemberg". We unite innovation, design and production at the company headquarter outside the gates of the technology location Stuttgart.
